“A real professional who has worked in over nine countries. This is a high-level specialist, a continuation of the kind of American consultants who have been here for a long time. He is a mixture of a political consultant and a political scientist. This is a very high-quality consultant.”

– Sergey Kostezh, *The Fourth Power*

BIO: JASON JAY SMART

Jason Jay Smart is an **international political consultant** who is available for interviews about politics and elections in the former USSR. Smart is an expert in **Ukrainian domestic politics and corruption**, as well as relations with **Russia** and the **United States**. Smart has **worked with political parties and national leaders in Ukraine, Russia, Moldova, Kyrgyzstan, Kazakhstan, Georgia, Cambodia and throughout South America**. Previously, he worked in American political campaigns, including during the 2008 and 2016 Presidential elections, and for US Government financed support for democratic oppositions. He frequently gives televised, radio and print interviews in English, Spanish and Russian.

AREAS OF EXPERTISE
